

Cead Mile Faile! (1,000 Welcomes!)

Plans are well underway for the 9th Asbury Park St. Patrick's Day Parade Sunday, March 12th 2023

On Sunday March 12th 2023 Asbury Park will be hosting the Annual Saint Patrick's Day Parade. The parade route begins at the intersection of Ocean Ave and 4th Ave and travels southwest towards downtown ending at the corner of Cookman Ave and Main St. The parade route takes marchers and spectators south on Ocean Ave alongside the historic Asbury Park boardwalk, past legendary landmarks like the Wonder Bar, The Stone Pony and the Empress Hotel, The Carousel House and Casino, continuing to the heart of the downtown district. The reviewing stand is located at Press Plaza (Cookman & Emory) where parade acts stop for a short performance for our parade judges before marching west to the end of the route at Municipal Plaza on Main St.

The Asbury Park St. Patrick's Day Parade is a non-profit event, open to the public and welcoming of both traditional and non-traditional acts. The parade features marching bands, floats, neighborhood associations, bag pipers, mummers, scouts, dance groups, as well as our local governing body, commercial businesses and charities. Your support helps the numerous local charities and causes that the Asbury Park St. Patrick's Day Parade continues to support, such groups as The Center, Asbury Park Recreation, Asbury Park Little League, and AP Firefighters Local 384, to name a few
