

Asbury Park Saint Patrick's Day Parade
March 8th, 2026

Greetings from the 11th Annual Asbury Park St. Patrick's Day Parade!
Cead Mile Failte

In 2013 a small committee formed to craft a parade that not only celebrates St. Patrick but also represent the diversity of the people & cultures of Asbury Park. Much thought and planning went in to the concept to make certain that it was all inclusive and unique to Asbury Park while still incorporating the most loved traditions of a good old fashioned parade.

The committee has grown and evolved along with the parade. Along with our honored veterans, local Scouts, dance troops, school marching bands and, of course, regional Pipes & Drums groups, we feature national & international Mummers, pet rescues, local organizations & Asbury's very own Zombies! Our many floats even feature live bands!

Each year the Parade donates to charitable organizations. Our beneficiaries have included AP Little League, The Center, AP Historical Society, AP Recreation and many others.

Over the past 11 years the parade has grown, attracting over 10,000+ visitors, unfortunately our expenses have grown also. Beyond the costs incurred to present a one of a kind parade, we also have the costs and fees to the AP Police, DPW and staging equipment. This year's fundraising goal of \$35,000. is already underway, please take a moment and consider giving to the event that gives back!

The groundwork is set for this year's very special 11th Anniversary Parade!!
